COURSE INFORMATION

Course Description: The *Cannabis Horticultural Science Course* provides overviews of core horticultural science topics as they relate to the production of Cannabis sp. for medicine and adult-use. Experienced growers may learn the science behind their cultivation practices and improve upon their success. Beginners can learn the scientific foundation to cannabis horticulture. Job-seekers can add highly-valuable educational experience to their resume. Businesses can utilize this course as part of their employee training and education program. Students may earn a certificate with a minimum 80% class attendance and 70% on Final Exam.

Class Day/Time: Classes are held every Thursday from 10am until noon, beginning Thursday July 7, 2017 until September 14, 2017, with awarding of certificates on September 21, 2017.

Class Location: Cascadia Labs, 7405 SW Tech Center Dr., Suite A160, Tigard, Oregon

Instructor: Todd Dalotto, HBS Horticultural Research

Instructor Email: todd@CanResearch.net

To enroll: Mail this completed form with payment to CAN! Research, 1645 9th Ave. SE #186, Albany, OR 97322 – or - call 541-752-9053 to make credit card payment
